

The book cover features a light beige background with a large, stylized 'X' shape formed by several parallel diagonal lines. The right-hand triangular area of the 'X' is filled with a dense, wavy, wood-grain-like texture in a slightly darker shade of beige. A horizontal white band with a thin gold border runs across the middle of the cover.

In September of 1952, 54 very frightened "little freshmen" entered the halls of ECHS. That year we elected Mack Street as President, Ada Jones as Vice President, and Bernard Snider as Secretary-Treasurer. We also sponsored an all-school party which we all enjoyed.

In 1953, 53 of us entered as sophomores in the new school building. This year we elected George Whitney as President, Dick Eccles as Vice President, Carla Haines as Secretary-Treasurer, and Diane Butterfield as Reporter.

In 1954, 47 of us were juniors. This year we elected Karl Taylor as President, Carla Haines as Vice President, Diane Butterfield as Secretary-Treasurer, and Vonda Archibald as Reporter. This was our first really big year in high school. On November 19, 1955, we gave our play, A DATE WITH JUDY, which was a huge success. It was also our job to sponsor the Prom which we called "Moonlight Gardens." It was a delightful evening and a complete success.

This is our last year in ECHS. We are 48 in number, the largest so far to graduate from ECHS. This year we elected Sally George as President, Karl Taylor as Vice President, Pat Simpson as Secretary-Treasurer, and Larry Cox as Reporter. This is our biggest year in school and many important things have taken place.

On October 7 we initiated the freshmen, which proved to be a delightful pastime.

On October 27, we sponsored a Chili Supper and Stunt Night as a part of the Homecoming Celebration. The evening was a big success. The following evening was the Homecoming game and dance. Although it rained for the game, there was a record crowd at the dance.

March 23 brought our play which was a complete success in spite of a few details which were slightly out of line.

We spent a day at Galesburg Library in doing research for our Lorado Taft Essays. Mrs. Hart and Mrs. Bickford accompanied us.

Baccalaureate was held on May 27 with the Presbyterian Church in charge of the service. Class Day was held the following afternoon, May 28. Then on May 31, Graduation came and we Seniors were, as our motto stated, "Out of School Life, into Life's School."

Prophecy

Good evening ladies and gentlemen. I want to welcome all of you to the grand opening of Dale Worley's Outer Space Summer Resort. Dale is more widely known as President of Caterpillar. It has been thirty years since our class of "56" has gotten together for a banquet, and I am happy to see that all of us could make it. We are all very anxious to hear what our classmates have been doing during the last thirty years. When I approached the first table, I saw that we had some celebrities among us. Blair Haines who is now one of the world's most famous singers. He told me that Eddie Fisher gave him his first big break in show business.

Beside Blair is Sally George who has given up her job as private secretary to Samuel Goldwyn II to become Blair's most devoted admirer.

Seated next to them is Jackie Kilpatrick, one of the most celebrated pianists in the universe. She left her tour on Mars early to be with us this evening.

Seated in the left wing are Pat Simpson who is head of a musical company, and Pat Chambers who is in charge of the make-up department. They have just returned from Europe with their new show, "Guys and Rockets". This show is a huge success, and we are very proud to have them with us tonight.

Joe Boatwright and Jim McGuire, who are seated at one of the front tables, have just recently developed a new food called "nourishment in a capsule," which is very convenient for taking on long rocket cruises because a months supply can be placed in the pocket of your space suit. It is being used for the first time tonight. We hope all of you will try some. They have a brilliant career at the John Hopkins' Research Center in Baltimore.

Seated next to them are Carroll Stambaugh, and Tom McIntyre. They are wealthy rocket farmers in Florida. They sell their products to the Johns Hopkins' Research Center in Baltimore, making the "nourishment in a capsule."

Over to our right we see Mary Persack, Carol Greene, Jean Davis, Mary Colgan, and Ethel Beard who are setting up a medical space clinic on the satellite between earth and Jupiter. We wish them the best of luck and I would like to announce that any contribution to this worthy cause will be greatly appreciated. You may give your contributions to Sandra Phares, head receptionist, to Doctor Romick Einstein.

Over in the corner are Bob Shissler, and the former Ada Jones. It seems that they have finally decided to try to make a go of it after all these years. Ada was head of the Child Therapy Clinic for Martian Misfits. Bob has gone back into the seed corn business, and is president of Shissler Incorporated. Good luck in the light-years ahead.

Seated near the back are Johnnie Cox and Brian Kjellenberg who own their own garage. They have just recently completed and successfully tested the "Coxenberg Special." It has many new features. It travels 500 miles an hour, is accident proof, and is used only on the earth.

Steve Harding, Delmar Hauk, Raymond Cox, and Danny Mercer, have been given medals for bravery in their exploration of a new planet called Monitor which is beyond Jupiter.

Seated to the right of them is Diane Butterfield who is now the head secretary for the Universal Air Force. It seems that she has made quite a hit with certain men in the air force.

In the center of the room is Gene Gilman. He has just opened a new clothing store in which he is featuring pastel colored space suits for summer vacations. Be sure and get yours now before they are all sold out.

To the far right is Charles Howard who is now the head bookkeeper for Robert Howard's chain of Kroger Stores on earth, Mars, and Venus.

Sitting on the front row are Phillip Kratzer and his charming wife Vonda Archibald. They have just arrived from their moon haven of 2000 acres and their fine family of five children.

Next we have Senator Karl Taylor who is now campaigning for re-election with better skyways to Mars as one of the main planks in his platform. Next to him is George Whitney the most well-known lawyer in the universe, who is Karl's campaign manager.

To the left are Beverly Snider and Alice Steer. They are taking a vacation from their families on earth. We all remember that Beverly was the first one of our class to get married. Alice Steer is now married to a plumber and has 12 little plumberettes.

Sitting by the door is Larry Boyer who designed my summer resort. He is head of the B & B Builders which he is now expanding to the other planets. Standing beside me is his wife the former Carla Haines who is his private secretary and helps him run his business.

THE PENNY SUPER MARKET
"The Store that Grows with the Years"
Established since 1927

Dick Eccles who is sitting near the back of the room is coach of the Elmwood University basketball team. His team has just won the Universal Tournament. We are all very proud of his success.

The Reverend Sam Jones is inviting all of us to attend his church next Sunday to hear our former classmate, Dorothy Gunter, now a famous missionary, who will speak about her experiences in Venus.

Jim Martin and Harry Sherlock are head diesel mechanics at the new caterpillar branch on Saturn.

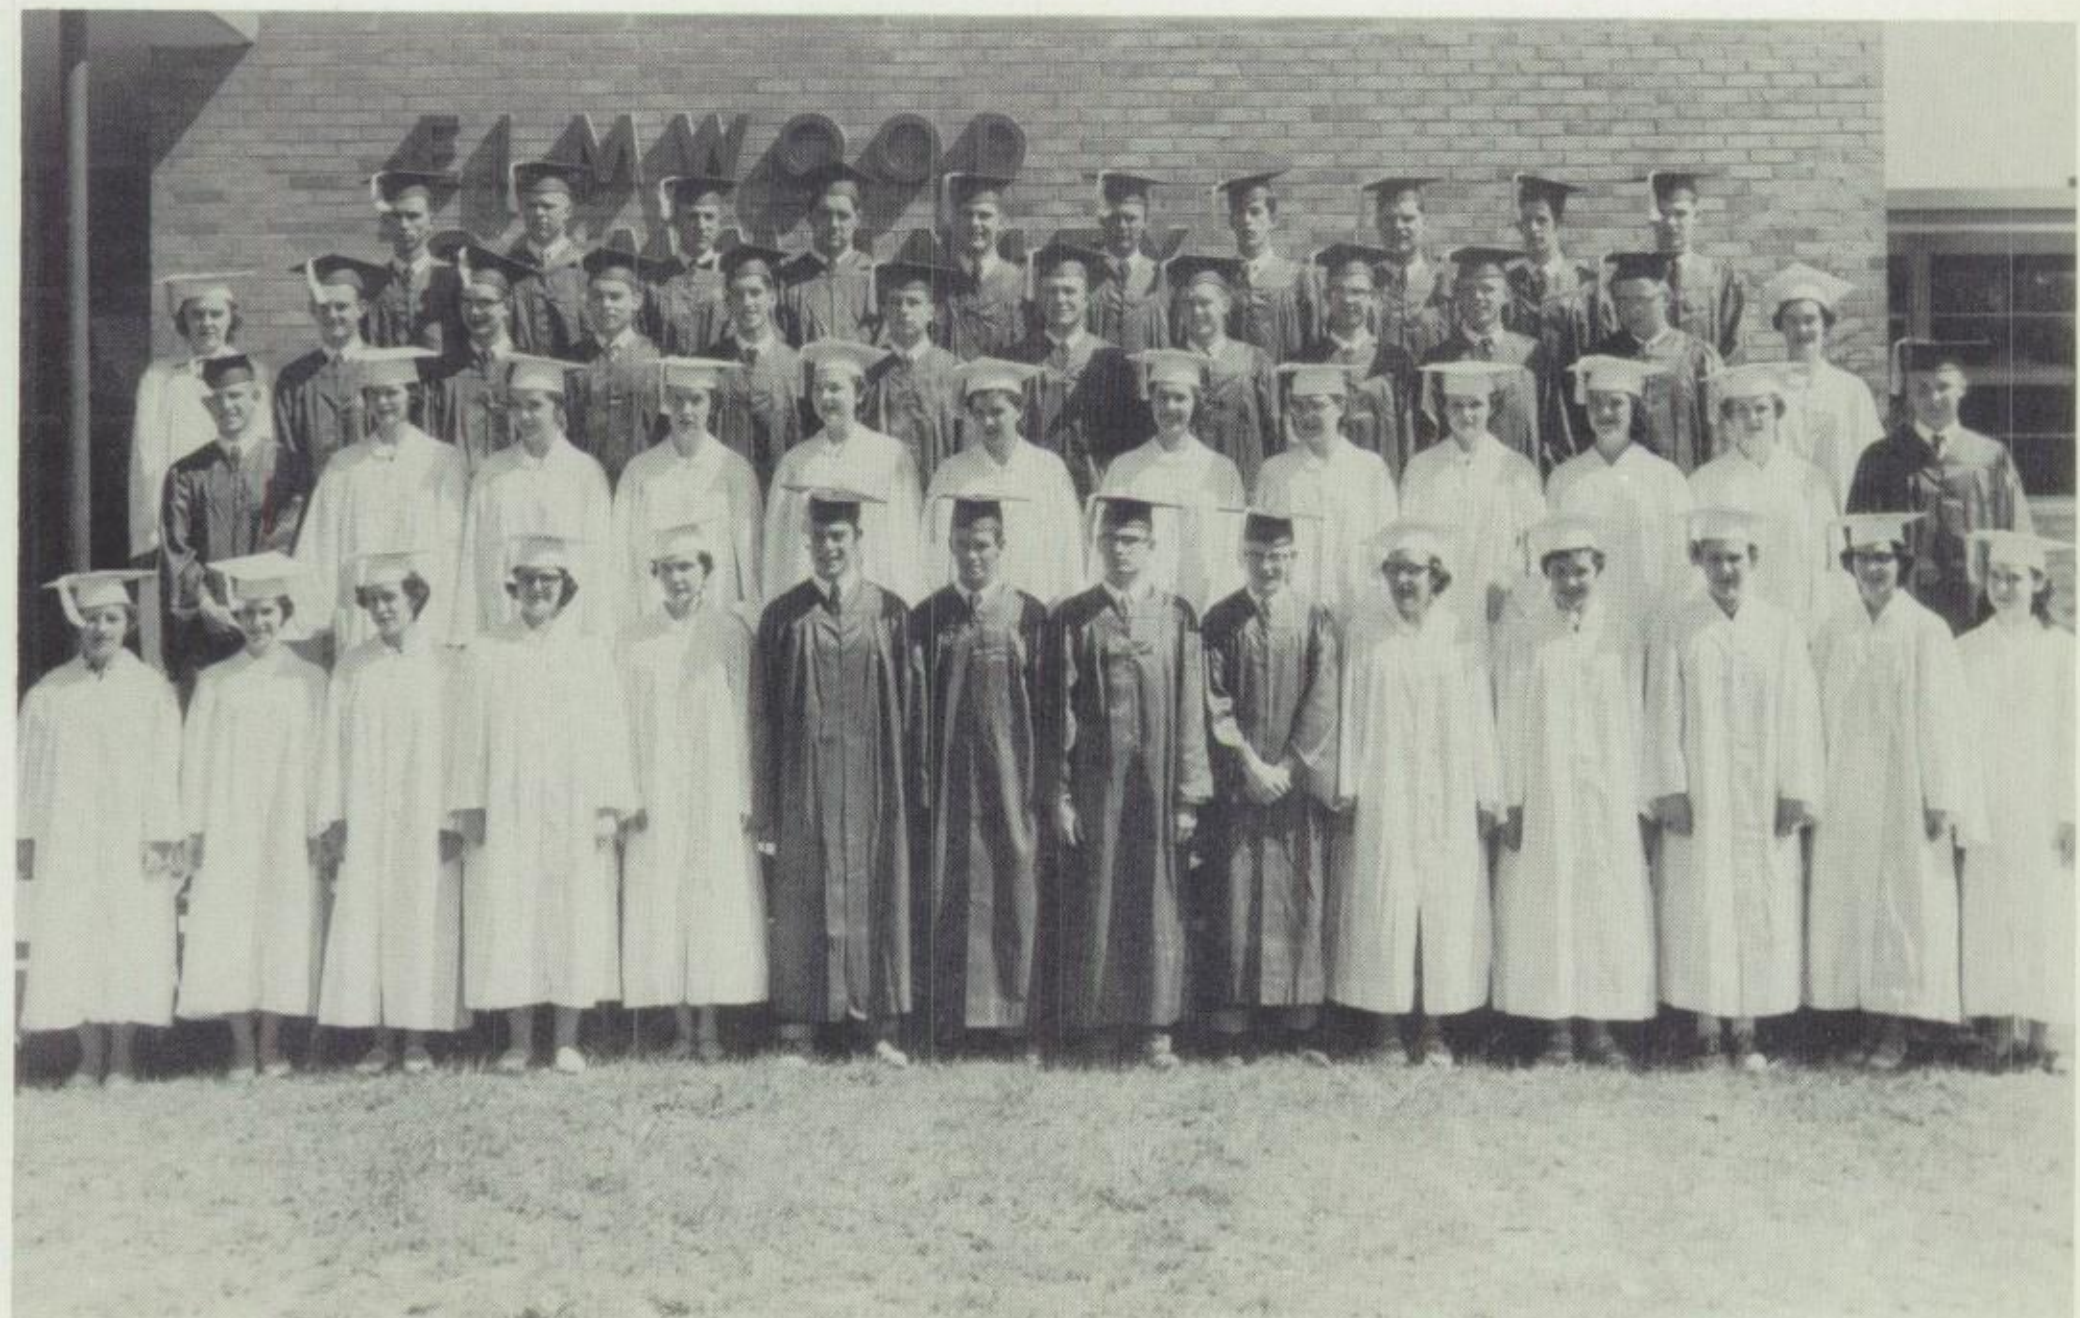

Shirley Walker and Deloris Whitmore, who are sitting on the right, have their own Home Ec program on television broadcast direct from station ECHS on Mercury.

To the right are Betty Duggins and Peggy Broadfield who are running a new shoe store featuring light-weight magnetized space boots for women. They are of the newest style and the prices are reasonable. Congratulations on your successful business.

Seated near the back is Danny McBeth who has recently become vice president to the chain of Rexall Drug Stores throughout America.

Coming in the door are Larry Cox and Sharon Sloan, who we understood would be late due to difficulties in rocket connections. Sharon is the head stewardess for the Universal Rocket Line which travels to all the planets in the universe. Larry is emcee for Cox's Conglomeration of Comedy sponsored by Cadet Corn Crackers. We close our program this evening with a moonlight swim in Lake "56" named for our class, and we hope that we can all get together in another thirty years.

THE JUNIOR CLASS HISTORY OF '56

One morning late in August of 1953, fifty-three green freshmen entered the halls of ECHS to spend the following four years there. Our first class meeting was held in September and our advisor was Mr. Cady. We elected the following officers: Doug Coulter, President; Ronnie Coon, Vice President; and Linda Parker, Secretary-Treasurer. We had a skating party and hay rack ride during the year.

In the fall of '54 we were back as sophomores. Class officers were as follows: Co-Presidents, Karen Kleen and Richard Coon; Judy Purcell, Secretary-Treasurer; and Reporter, Carol Smith. Mr. Hamman was our advisor. On November 10, we had an all school party. Refreshments were served and everyone had a nice time.

In January about thirty sophomores held a party which ended in a sleigh ride. Hot chocolate and cookies were served. The biology class held a bake sale to raise money for an armadillo. It died. The biology class also took a trip to Chicago. They visited The Field Museum and Brookfield Zoo on May 7, 1955. Mr. Cady sponsored our trip.

On September 6, 1955, we were enrolled as juniors with Mrs. Monroe as our advisor. We had a class meeting in late September and the following officers were elected: Ronnie Coon, President; Judy Purcell, Vice President; Carol Greene, Secretary-Treasurer; and Sharon Ekena, Reporter.

Our Junior play, "Girl Crazy," was held November 15, 1955. It was a big success.

We received our Class rings after we came back from Thanksgiving vacation. We were all very proud of them.

We had a bake sale April 7, 1956 to raise more money for the Prom, which was held on May 4. The theme was "Sealand Fantasy."

We are all looking forward to being enrolled as seniors next year.

CLASS HISTORY

On August 29, of 1955, the Freshman class attended its first school day at ECHS. Our class consists of 69 pupils, and is the largest Freshman class ever to enter Elmwood High. The first few days we spent getting accustomed to the new rules and regulations, the new teachers, and getting to classes on time.

At the first of the year we elected the following officers: Mary Miles, President; Randy Snider, Vice President; Bob Whitney, Secretary-Treasurer; and Mary Endres, Reporter.

In October the Freshman class made a float which we entered in the Homecoming parade along with the floats which were made by the rest of the classes.

Later on, we had a Freshman initiation to which the whole school was invited. All of the Freshmen took part in the initiation.

In the month of April, we went to the Americade, a project which was set up to show the growing needs of America. This was held at the Bradley Field House at Peoria.

We then held a spring class party which was enjoyed by all.

The 1955-56 Trojan basketball team was the preseason favorite for the Blackhawk Conference title. Due to about twenty seconds we lost the championship to a strong Galva team that went on to win twenty one in a row and were never stopped till they got to the game against Galesburg in the Galesburg Regional. But we came out second. This year the Blackhawk was very strong with three teams winning twenty games or more. Elmwood ended up with a splendid record of 20 wins and 7 losses. 1930 was the last time Elmwood won 20 games. Elmwood lost 4 games in tournament play and 3 in regular scheduled play. In the Elmwood Tourney, we won fourth place and in the Princeville Tourney we won second place. For once Elmwood wasn't small, but had four starters at six two and one at five eleven.

This year George Whitney was named unanimously as All Conference Center and Sam Jones was named on the second team. Sam, who in his Junior year was named All Conference Center, was handicapped by illness throughout the year. This year we lose eight seniors and returning are two lettermen who were starters, Richard Coon and Sonny Patterson. Also returning are Doug Coulter and Jerry Blankenship.

Chorus

This year found about 75 enrolled in chorus. Of this number 14 were boys and 61 were girls. Out of this number 30 represented Elmwood in the Blackhawk Choral Festival at Princeville on March 12. Blair Haines sang The Blind Ploughman, as our special number that evening. The Festival was directed by Mr. Lloyd Pfautsch, instructor at Illinois Wesleyan University.

Five girls, five boys, and two piano contestants represented Elmwood at District Contest at Limestone on March 24. Blair Haines won first and went to the State Contest where he received a second place rating. Out of the group sent to Limestone, nine received second rating.

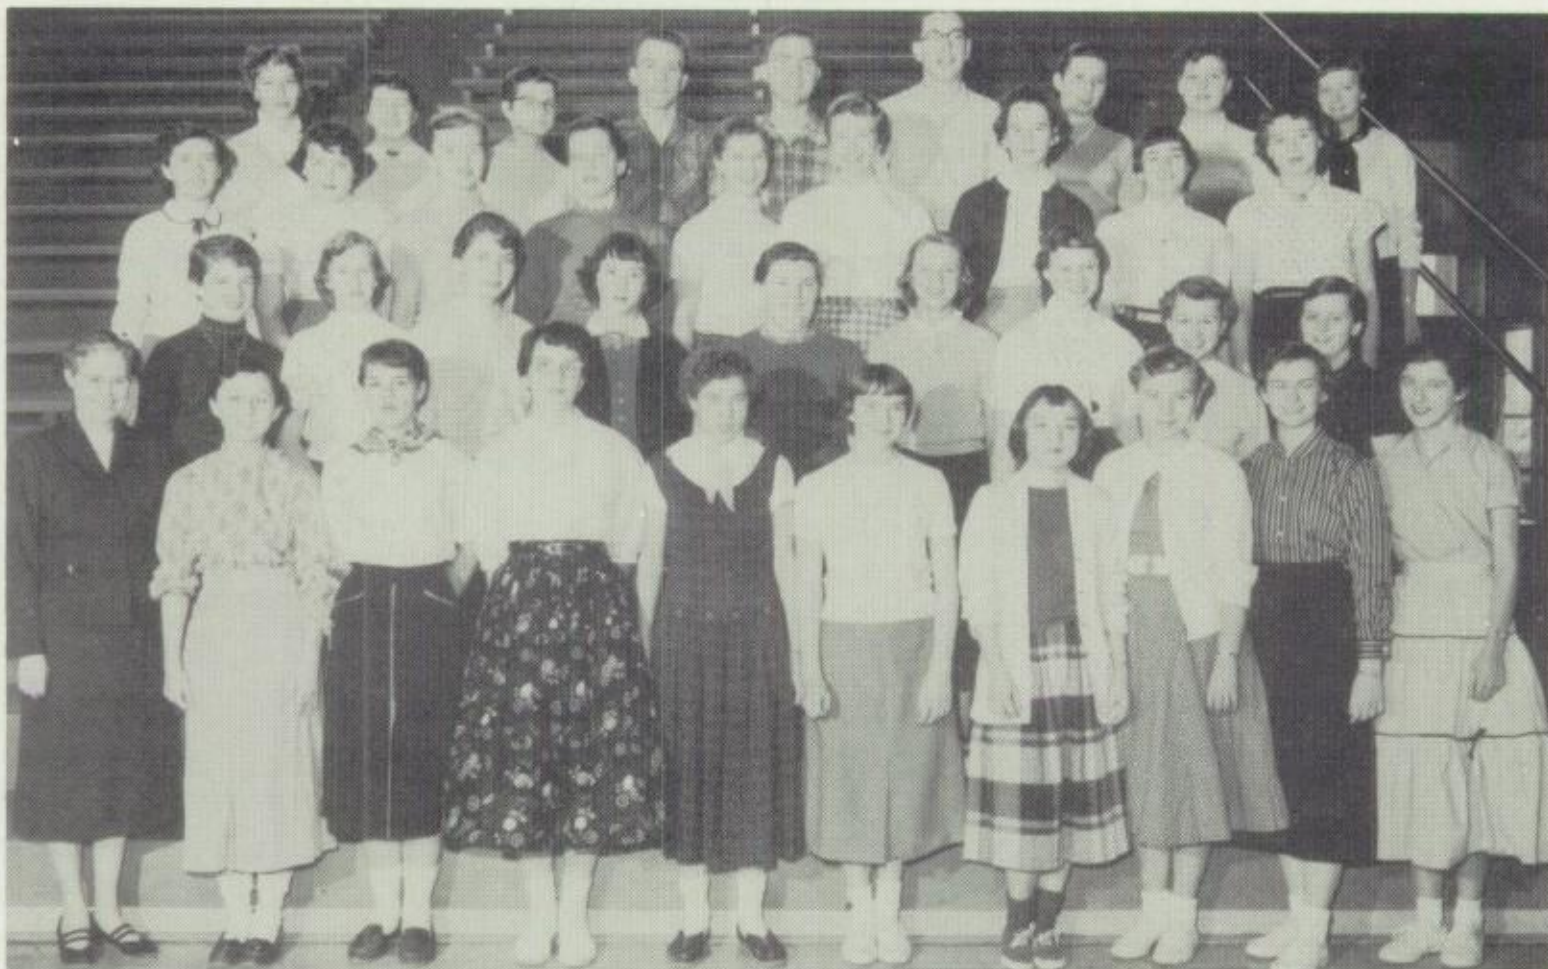

On April 3, the entire chorus presented a group of songs for the Women's Club at the High School Gymnasium.

Out of the choral group, eight sophomores and one senior organized a group which they called the Looney Tuners. Their first appearance was at the Junior Class play. Later, they took part in a rural youth contest and were rated among the top ten to appear on the Farm and Home Program at Champaign. This group also appeared on television at Champaign and on WMBD radio program and on many local programs.

G.A.A. has been very active this year. They have sponsored a bake sale and a show as a means of making money. They have also been selling candy bars during the noon hours with the pep club.

For the first time, Elmwood G.A.A. held a Play Day on April 21. Twelve schools from around the Elmwood area participated, and Yates City helped to sponsor it. The Play Day turned out to be a big success and everybody had a good time.

The G.A.A. Banquet this year was held at the Chuckwagon, at which some of the members received their awards, and the officers for the coming year were elected.

The officers for this year were:

Vice President	Jackie Miles
Treasurer	Janet Harlan

This year the pep club had a membership of fifty-five. We sponsored skits at pep meetings which everyone seemed to enjoy. We held parent's night when the parents of the basketball boys were honored. The fathers wore the same numbers as their sons, and the mothers were given flowers.

The pep club sold candy during noon hours to raise money.

Trophies for good sportsmanship were given to one boy in football and boy in basketball. A record is kept of these boys from year to year on a plaque in the gym.

The Latin Club is a newly formed organization at ECHS. Anyone who has taken Latin is eligible for membership. We have thirty-five members in our Latin Club and hope to have more next year.

The Highlight of the year for the Latin Club was a Roman Banquet held on February 21, 1956. All of the Latin students appeared in Roman Style Clothing. There were prizes for the Best dressed boy and girl.

Dinner was served, also in Roman style. Two chairs were pushed together so we could lie down and eat. The dinner, which we all enjoyed, was prepared by Mrs. Monroe and the girls.

We hope to have a Roman Banquet next year.

Following the dinner a very entertaining Roman program was presented by some of the Latin Club members.

Those students who maintained an average of 90 for five six-weeks will receive a certificate of merit.

This is the third year the juniors have undertaken a school newspaper. The "Echo" came out once every six weeks and proved to be a huge success. It kept the students up on all the latest news and gossip and featured such things as sports, dances, activities, and the news of all the organizations.

It was a lot of work, but we all enjoyed it. We would especially like to thank our advisor, Miss Risen for all the help she has given us.

Homecoming

The Homecoming festivities began with a chili supper held in the cafeteria, sponsored by the Seniors on Thursday night, October 27. Immediately after the supper a stunt show was presented by the various classes and organizations. The stunts were very good, each one having as their theme victory for the Trojans and defeat for the Princes. Everyone agreed that the chili supper and stunt show were a huge success.

On Friday afternoon the weather was in our favor and classes were let out at 1:00 so that we might see the parade as it went through the town. Leading the floats was the band in their new and very pretty uniforms.

Friday night we found the weather no longer in our favor, for it was raining. The game went on even though the field was all mud and the players were soaked by the rain. We were very proud of our boys for they defeated Princeville 13-0.

A record crowd was present when, at 10:00, the dance got underway in the decorated gym. We danced to the music of Mr. Cady and his orchestra. At 11:00 the winners of the floats were announced with the Juniors placing first, the Sophomores, second; and the F.F.A., third.

At 11:30 Mr. Stamp crowned Queen Ada Jones and King Tom McIntyre in a very impressive ceremony. Ada's attendants were Sally George, Vonda Archibald, and Carla Haines. Tom's attendants were Dick Eccles, George Whitney, and Philip Kratzer.

The dance ended at midnight and everyone agreed that this years Homecoming was one of the nicest ever!

The Royal Couple

On the evening of May 4, at the Elmwood Community High School gym, the faculty and senior class were guests of the junior class at the annual junior-senior prom. This year the theme was "Sealand Fantasy." The theme was carried out through the entire banquet and prom. At 6:30 a banquet was held. The meal was served by the mothers of the juniors. After the banquet the program started. On the program were the following: The welcome by the junior class president, Ronald Coon; the response by the senior class president, Sally George; a vocal solo by Karen Kleen; a short talk by Mr. Hamman, the math instructor at the high school; a short talk by Mr. Bickford; and then the presentation of gifts to the seniors. The guests of honor were Mr. and Mrs. Garrison, and Mr. and Mrs. Bickford. Mr. Garrison is to be the new principal next year.

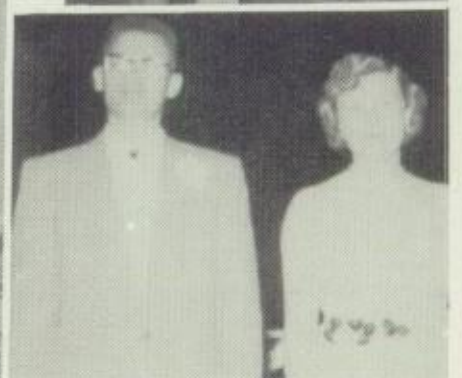

At nine o'clock the dance started with music by the orchestra of Paul Russel. The crowning of the king and queen was held at 11:00. At this time the grand march was held after which came the royal procession led by Ronald Coon and Judy Purcell, the junior president and vice president, followed by Joe Boatwright and Peggy Broadfield, the senior attendants. Behind them were the junior attendants, Janet Harlan and Vernon Broadfield and then the king and queen, George Whitney and Jackie Kilpatrick. The punch boy, Randy Snider, and the punch girl, Joanne Gutshall, carried the crowns, made of white mums and lavender daisies. At twelve o'clock the dance ended.

The ceiling of the decoration consisted of azure blue streamers. The walls were alternated with blue, green, yellow and pink streamers. The punch room was orchid. The lounge was made like a sea cave. It was green and brown and contained sea weed and clam shells.

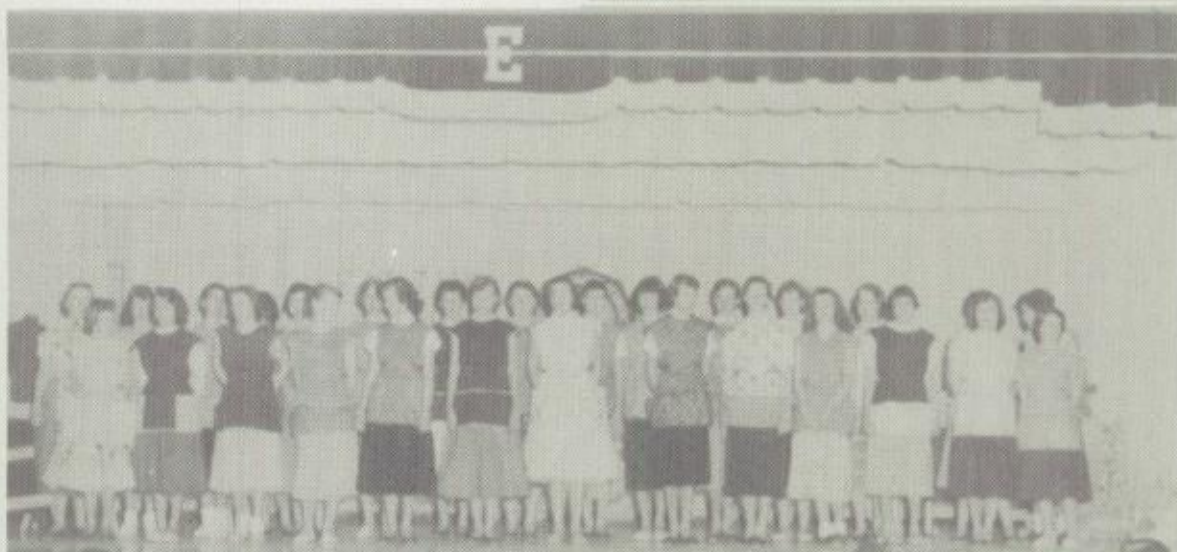

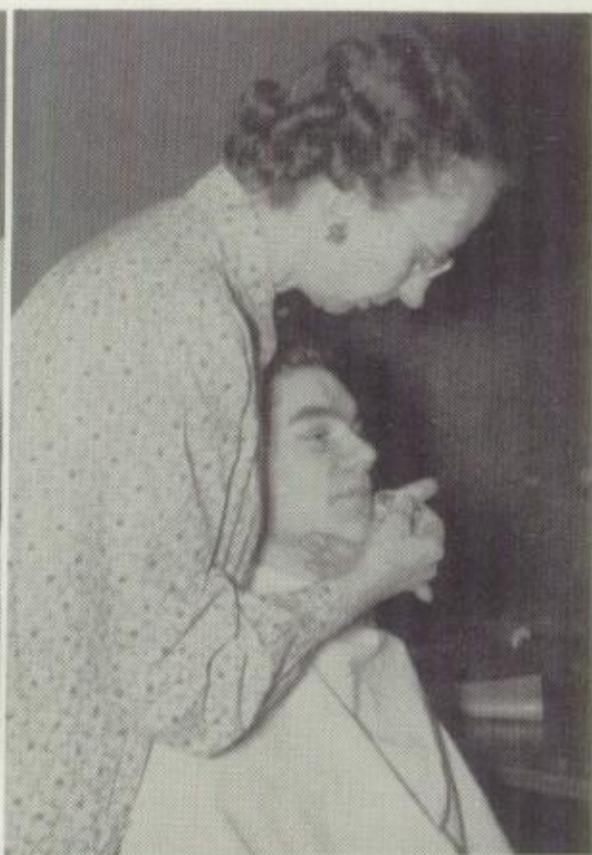

The center-piece was a huge octopus, under which the couples danced, and an old chest was at the end of the floor. The throne was made like a clam shell. On the north end there was a huge mural, depicting an underwater scene, which was painted by Douglas Coulter and his father.
